Wind is very cheap, and M. Schnatterly's Grocery House has come to offer, but we have not the largest stock of fine Groceries, Queensware, Candles, Christmas Goods, etc., ever offered in Kinsley, which we will sell lower than ever before. If you want to buy it will pay you to give us a call.

We will have set up and printed tomorrow the "Lord's Prayer" as composed by an unknown, and captured during the civil war. It is quite a literary curiosity and all persons desiring some printed on satin or other suitable material can have the same done by calling at the GRAPHIC office tomorrow with material, at five cents each.

Now that the election is over we would like to hear from some of our correspondents, as we have plenty of space to fill. If you have not seen your communications in print for the past two or three weeks, it was because we did not have room to run them. Let's hear from some of you next week.

Now that the election is over, and the official count has been made in all the counties and every body is satisfied with the result, put your mind on other matters and stop and think if you owe the printer anything. Call and see him and tell him you are sorry, pay what you owe and one year in advance; then you can go home with a clear conscience and sleep the sleep of the just.

The ladies of this city met at the Congregational church last Wednesday evening for the purpose of discussing the advisability of establishing a public reading-room for the benefit of the young people. A committee was appointed and will report at an adjourned meeting which will be held next Wednesday evening at the same place. Everybody is cordially invited to be at the next meeting.

The rule should be established in country newspaper offices as it is in the city offices. If you want a paper from Kansas City, Topeka, Chicago, or any other large city, you pay one year in advance, and as soon as your subscription runs out your paper is stopped if you do not remit to the publisher. If you do not, the publisher will not be bound to continue the paper. If you want a paper from a small town, you pay one year in advance, and as soon as your subscription runs out your paper is stopped if you do not remit to the publisher. If you do not, the publisher will not be bound to continue the paper. If you want a paper from a small town, you pay one year in advance, and as soon as your subscription runs out your paper is stopped if you do not remit to the publisher. If you do not, the publisher will not be bound to continue the paper.

Everybody to know that we have a large stock of goods. Our prices are low and we will not be undersold. BROWN & PECK.

Y. P. S. C. E. Entertainment.

Notwithstanding the disagreeable weather a good sized audience witnessed the literature and music at the Congregational Friday evening by the Young People's Society of Christian Endeavor. The program was brilliant and highly entertaining. This society was organized one year ago last August and their endeavors have been crowned with a fair degree of success. Out of the eleven thousand societies in the United States we doubt if there is in better working condition than the one in our midst. A neat sum was realized, and it is to be hoped that another entertainment will soon follow this splendid starter.

Leonard the silver smith does all kinds of repairing. Give him a call at Leonard & Schnatterly's jewelry store in the Tatum building.

Little Things!

Make up the sum of human life. The ocean is an aggregation of drops of water, the land of grains of sand.

THE FLY IN YOUR SOUP,
THE MOSQUITO IN YOUR
BEDROOM,
THE CORN ON YOUR FOOT,
THE DUST IN YOUR EYE,

THAT MAKES LIFE A BURDEN.

THE PENNY

Is a little thing, but a dollar is only an aggregation of pennies and without the penny there is no dollars. Fortunes are founded on pennies, hence the proverb, TAKE CARE OF THE PENNIES AND THE POUNDS WILL TAKE CARE OF THEMSELVES. This brings us to the point we want to make.

OUR PRICES ARE A LITTLE LOWER THAN ANY OTHERS.

Only a few pennies, perhaps, but always something lower. In the Aggregate

WE SAVE YOU DOLLARS. Think the matter over and remember that "Many a Mickle Makes a Muckle." It's as Easy as Lying to claim absolute superiority in goods and prices over all competitors, but LYING CAN'T LAST, it's brazen cheek will crack at last, it's oily tongue will rust on it's hinges. In the end Truth will get the Lyin's Share of Business; we have won our laurels honestly as truth tellers and are now daily presenting our great original act of

TRUTH TWISTING THE LYIN'S TALE.

We have a clean record as Bargain Makers, who do as we say, if we say we are offering Dollar Values for 75 Cents, you can rely on the fact you are 25 cents ahead on every dollar deal with us. Our stock! Yes it is immense. Composing everything in GROCERIES, QUEENSWARE, GLASSWARE, LAMPS, HARDWARE, TINWARE, STOVES and FARM TOOLS, on which we owe no man a dollar; bought for spot cash, and for sale on your promise to pay? No! But for SPOT CASH. Buy what you need and no more. Pay for what you get and not for your neighbor's promise to pay. Leave your cash where it will do you the most good.
